OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 5 September 1967

1. (Confidential - GLC) Talked with Mrs. Murray, on the staff of the House Select Committee on Government Research, and passed on to her information which she requested and which was provided by DDCI and cleared through Mr. Rose and the FBI, regarding our association with Joint Publications Research Service. I then told her she could feel free to talk with Mr. Tom Miller regarding JPRS activity generally. Mrs. Murray thanked me for this information and said she would be in touch with Mr. Miller in the next few days.

2. (Confidential - GLC) Returned to Jay Sourwine, Senate Internal Security Subcommittee staff, the unclassified copy of the transcript of [REDACTED] including additional material which Sourwine had asked be included in the record and some information provided for the Subcommittee's information but not to be included in the unclassified version of the testimony.

25X1

With respect to Mr. Sourwine's inquiry for a recent article or speech by Elisabeth Garley Flynn, I provided him with an FBI item and told him that Mrs. Flynn's article which appeared in TASS is being translated. I told him we would be happy to provide a copy when the translation is completed.

Mr. Sourwine asked for such information as we might have in a position to provide the Subcommittee on the whereabouts and activities of Ludwig Rajchman since 1952. Sourwine described this individual as a representative of UMICRF who left this country and allegedly has returned.

3. (Unclassified - JW) Talked with Senator Henry M. Jackson's office and as expected he cannot accept an invitation to address the Asia Career Course in October. Dr. Houch has been advised.
